Subject: Human Resources- Smoke Free Environment

PURPOSE:

To set policy regarding a clean air/smoke-free environment in all College-owned or leased facilities and vehicles and to protect the health of patients, faculty, staff, students, volunteers, visitors and the public. This policy incorporates the major provisions of existing state and local laws on smoking in the workplace.

Accountability:

By direction of the President, the vice presidents and deans shall ensure compliance with this policy. The Director of Human Resources and the Safety and Security Office are responsible for supporting the deans and vice presidents in enforcing this policy.

DEFINITIONS:

Smoking – defined as the burning consumption of a lighted cigarette, cigar, pipe, electronic cigarette or any other substance which contains tobacco.

PROCEDURE:

In an effort to provide a safe, healthy, and comfortable environment for all employees faculty, students, administrators, patients, volunteers, visitors, and the general public, smoking is prohibited in all College owned or leased facilities and vehicles.

Requirements

There shall be no smoking at or near the front or main entrances of any College-owned or leased buildings nor on any areas of campus. The Meharry campus does not have outdoor smoking areas. Individuals that desire to smoke must exit the campus before engaging in said activity. The Director of Campus Operations is responsible for posting “no smoking” signs as part of the Meharry Medical College Signage Program.

Sanctions

Faculty, staff, students, administrators, volunteers and others who violate this policy are subject to appropriate disciplinary action in accordance with Meharry Medical College’s Smoke-Free Environment Policy. Disciplinary action may include written reprimand,
