Subject: MMC PA Program Clinical Elective Rotation Policy.

PURPOSE:

The purpose of this policy is:

To define the process for selecting elective clinical rotations.

POLICY STATEMENT:

There are two elective clinical rotations in the MMC PA Program curriculum. Electives will be changed to assist students in meeting minimum patient encounters and to ensure the student is meeting the learning outcomes expected during the clinical phase of the educational program.

DEFINITIONS:

PROCEDURE:

Students are asked to submit their elective preferences to the CED before the beginning of the Clinical Phase.

Every effort will be made to accommodate student preferences, but no guarantees are made to the student and the decision may not be appealed.
