

Checklist for MMC Student Events

When submitting event requests in Campus Groups please remember the following:

1. The information on “create event” is how the event will show on the calendar when it is approved.
2. Complete the supplemental form after you “create event” with as much detail about the event as possible. The more information submitted the better.
3. If the event is off campus, provide the location and contact information for the vendor.
4. List the names of volunteers not “names will be added later”. This will cause a delay in the process. List at least the names of your members that have committed to participate. You can add names later as needed.
5. Parking passes can be obtained at Campus Security for \$1.50 each.
6. Events with food being served will require at least 1 trash can.
7. Attach the design for items to sell for Marketing to review and approve.
8. Attach contracts for the event
9. Formal events require at least two months to plan, preferably three months.
10. List the name of the Meharry attending physician/dentist or faculty that will accompany student doctors for screenings.
11. Indicate whether your advisor will attend the event.
12. When special set up is required by Campus Operations with **less than a two week notice**, items such as tables, chairs and trash cans will not be guaranteed
13. Movies are not shown in WBS. Movies shown in LRC require license fee (vary from \$200 - \$350). The office of Student Life will secure the fee from Swank Motion Pictures.
14. In the LRC food can only be consumed in TQM room. Food is not allowed to be served outside the lecture halls.
15. Advertisement of your event is not allowed until the event is approved.

Time frames for submitting the following event types:

Bake sales – provide what is being cooked, who will be cooking, if cooked on-site what it will be cooked on. Review is required by the Office of the General Counsel.

Selling items with the Meharry name require review and approval by marketing which normally takes 7-10 days. The Office of Student Life handles communication with Marketing. MMC has branding guidelines and a style guide that governs all printed communications and publications (http://www.mmc.edu/about/about-us-admin-docs/communications/meharry_branding_guidelines.pdf). If the items were sold previously with no changes to the design by Marketing, note on the request.

Sixty day notice with review by the Office of the General Counsel:

Formal events (i.e. Carabelli Ball, Spring GALA, Match Day Celebration)

MMC Campus Security services for events after hours and weekends may incur costs that will be passed on to the organization. A few examples are Oral Cancer Walk, talent shows, banquets on campus, cultural shows, intramural tournaments in Ross Fitness Center, step shows, probate shows.

Please contact the Office of Student Life before you talk to external vendors/businesses about planning an event at their location. Allow enough time for assistance from the Office of Student Life in making contacts and getting things reviewed which will give you time to advertise once the event is approved or time to find an alternate location in the event it is not approved.

The Office of the General Counsel requires 20 business days to review contracts for students. Students **are not** allowed to sign contracts on behalf of Meharry. Contracts could range from a \$30 park permit to \$10,000+ for a banquet.

If you want your event advertised, submit your request at least 20 business days in advance for the Office of Student Life to arrange campus announcements and/or external publicity for your event.

Plan far in advance to overcome obstacles that may hinder an event taking place.

Additional Information for Student Leaders

Student Organization Fundraising

Please contact the Office of Student Life for guidance before requesting money from departments, faculty, staff, and administration, and external vendors/businesses. Many of your fundraising ideas are vastly different, the process may be a little different for each one.

You may request funds from local businesses and local stores with approval from Student Life, but you can never approach the corporate office of large businesses as Institutional Advancement requests donations from the corporate offices for the college.

Student Organizations On-Campus Accounts: RFDs

Advance disbursements require the Request for Disbursement (RFD) with an original invoice with the vendor information, and detailed information regarding the purchase at least seven days prior to the date the check is needed. Please submit your RFDs to the Office of Student Life at least 5 business days before you need the check. Checks are available for pick up on Wednesdays or Fridays only. We can pick them up from the Cashier Window for you. You will need the following items for Finance to process your RFD:

- An invoice from the vendor or an **original** receipt.

- If the RFD is to pay a vendor that Meharry has not worked with before, we will need a W-9 from them.

- An RFD signed by your organization advisor and 2 of the following officers: president, treasurer, or vice-president

All student organizations with an on campus have the benefit of the Meharry Medical College state tax exemption certificate and non-profit status.

Reimbursements to students are processed through direct deposit. Please note that if there is a financial hold on a student's account or a balance, the reimbursement will not be processed.

Student Organizations with Off-Campus Accounts:

Any off-campus bank accounts cannot have the name Meharry anywhere in the account holder's name, and Meharry Medical College will not be responsible or liable for any activities associated with the account.
