

### **MMC Escort Service**

One of the best ways for Meharrrians to stay safe is to take advantage of the escort service offered by campus security from dusk to dawn.

This service is convenient, free and a great alternative to walking alone at night.

While the escort service is designed with students in mind, faculty and staff working on campus after hours are encouraged to utilize the service for their safety.

Escorts are generally provided in a variety of ways; by foot, department cart, or campus vehicle.

Escorts are conducted by the Department of Campus Safety and Security from dusk to dawn.

During the winter months dusk begins at 4:30 p.m.

During the summer months dusk begins at 7:00 p.m.

Escorts are available from and to college buildings, vehicles, parking lots, Lot-K Garage or dorm rooms.

If you are parked in the garage or lot please give your location and vehicle description to help us find you.

Simply dial (615) 327-6254 or (615) 327-6290 to request a ride and be prepared to show your MMC identification card when the patrol officer arrives.

### **Geographic Limitations of Security Escorts**

The geographical limits for campus escorts include the public streets that surround Meharry's campus.

These streets included Dr. D.B. Todd Jr. Blvd., Hermosa Street, 21st Avenue North and Meharry Blvd.

The train track is the landmark that is used to signify the end of campus security's jurisdiction.

The only off campus escort available to students, faculty and staff are those who reside at Herman Street Apartments

Anyone desiring an escort should call the College Security Department at (615) 327-6254 or (615) 327-6290 if traveling to campus or 6254 or 6290 on campus.
