

**Meharry Medical College**  
**"Estimated" Budgets for Financial Aid - Dentistry**  
**2021-22 Academic Year**

The following budgets embody what the Office of Student Financial Aid (OSFA) deems as reasonable costs associated with attending Meharry Medical College's School of Dentistry. We anticipate that most students will live within the budget amounts set forth. However, those with extenuating circumstances will be considered on a case-by-case basis for a possible cost of attendance increase. Documentation must be submitted and approved before a budget increase.
