PURPOSE: To inform students of counseling services available to them through the Institution.

SCOPE: Meharry Medical College provides counseling services from professional providers at a conveniently located campus Counseling Center. The center is committed to a highly effective counseling support system that compliments the educational and human enrichment endeavors of the institution. Counseling services include individual, family and group therapies, crisis intervention, coaching, case management as well as academic counseling. Workshops related to stress reduction, time management and a variety of clinical presentations are regular features of the center.

The services of the Counseling Center are broad-based and encompass services to students' partners and dependents, as well as to faculty and staff. Below is a listing of some of the services offered:

- Self-esteem problems
- Interpersonal relationships
- Adjustment problems
- Conflict resolution
- Time & stress management
- Short-term psychotherapy
- Marital counseling
- Lifestyle counseling
- Wellness counseling
- Examination anxiety therapy
- Disability counseling
- Medication referral services
- Gay, lesbian, bisexual and transgender counseling and referral services
- Psychological testing

- Alcohol and substance dependence recovery counseling and referral services

All counseling services for students and their immediate family are provided at no cost to the student. When referrals are made to mental health providers, these services are normally covered under the provision of the student's health insurance policy. Referrals: Referrals to other agencies or to other health care providers, are made as appropriate. Should students need to seek services from a psychiatrist for medication evaluation or other issues, we provide referral to local community psychiatrists. Confidentiality: Please be assured that all counseling services are strictly confidential. No faculty member, staff, peer, friend or family member will be permitted access to a student's counseling records without written permission from the counselee. Counseling session's records are NOT a part of the student's academic records.

DEFINITIONS: Counseling – The provision of assistance of and guidance in resolving personal, social or psychological problems and difficulties, especially by a professional.
