

Meharry Medical College
Estimated Budgets - School of Applied Computational Sciences (SACS)
2022-23 Academic Year

The following budget embodies what the Office of Student Financial Aid (OSFA) deems as reasonable costs associated with attending Meharry Medical College's School of Graduate Studies-Data Computational Science Program. We anticipate that most students will live within the budget amounts set forth. However, those with extenuating circumstances will be considered on a case-by-case basis for a possible cost of attendance increase. Documentation must be submitted and approved before a budget increase.
